Hi Tom,

Sorry to bother you. But I have a question in regards to the Bullcoming Decision for the US Supreme Court.

I have a meeting with AG's office next month to discuss my stand point on the Bullcoming Decision and what are my recommendations/solutions to address this matter.

I am currently in the process of writing the protocols for the Chemical Terrorism and Drug Analysis Lab due to the Bullcoming Decision. I have been contacted by a few of your colleagues in other Superior courts on how to address the issue of substitute chemist. I was curious if you or your colleagues at Norfolk have been impacted by this decision, yet?

Thanks to Mr. Melendez-Diaz and Mr. Bullcoming, they have made life a little more difficult for all of us.

Any help or suggestion would be much appreciated. Have a nice weekend.

Thanks.

Annie
